Happy Hollow Operations Calendar

Happy Hollow Park & Zoo will be closed on specified dates during the winter months of November through February. Happy Hollow may close during inclement weather without advance notice. Please call the Information Hotline at (408) 794-7596 prior to your visit. For updated information on Happy Hollow's operation schedule, please visit our website at www.hhpz.org.

Refund Policy

Memberships are valid for one year from the date of purchase. Membership benefits are extended to the individual listed on the membership card and are non-transferable. Membership fees are non-refundable. Benefits and prices are subject to change. Happy Hollow will post changes to benefits and pricing on our website at www.hhpz.org.

Membership Cards

The yellow carbon copy of your membership application form will serve as your temporary membership card until you receive your permanent membership card. Each member (including children) will be issued their own membership card and membership number. Members must present a valid membership card for each member (including children) upon entrance for each visit to Happy Hollow. Tampered membership cards are invalid. There is a \$5 fee to replace lost cards, issue new cards, or to confirm your membership if you don't bring your membership cards when you visit.

Biometrics & Photo I.D.

Your membership card and photo identification (adults) are required upon entrance. Members who do not present both will be asked to pay the daily admission fee. Adult members can choose to expedite their entry by using our biometric finger scan at the turnstiles which measures the index finger and converts it into binary numbers (for security reasons, the scan does not capture your fingerprint). Members who use the Biometric option do not need to present their photo ID once their scan is saved in the system. Members who choose to opt out of the biometric scan must continue to present a photo ID with their membership card on every visit.
