The minimum donation to sponsor an animal is \$30. Please allow 1-2 weeks for processing. Sponsorships are valid for one year. Multiple people can sponsor the same animal—It's a big food bill! Animals are living creatures—your animal will stay at the Zoo under the expert care of our Keepers. The animal collection is subject to change and occasionally animals may be transferred to another zoo or die. If something happens to your animal, your sponsorship can be transferred to another animal for the remainder of the year. No ownership rights are conferred by this sponsorship.
